Shri:

Aneka Mangalasanam!

"Brahmin Genocide" English book

written by **"Sriman. Asi"** on Sanatana Dharma. Sanatana Dharma is the basic philosophy of this world; Brahmins are those who manifest it to the outside world by their very nature through their words and actions.

And as the ancient Vedas say, it was determined by God and shown by Rama Krishna as dharma, and today we should live by following the path of Acharya Purushas. Brahmins are the ones who struggle to do this too.

I pray to Senpakaranya Nathan that the questions raised by this book and the messages it may share will be a positive turning point!

I request Sanatana Dharmis to implement the tips of this book along with the teachings of their respective Acharyas.

Subamastu! Mangalani Pavantu!

As per Swami's Order,

In Senpakaranya Muni Kaingaryam,

Amsawadi Yathirajasampathkumar Iyengar,

ShriKaryam, Sri Sri Sentalankara Senpakamannar Jeeyar Mutt, Mannargudi.
