Respected Sir,

In the present day society, the many problems, issues, and allegations faced especially, by the Brahmin community, in turn creating an unhealthy environment, has been well compiled and remedies for these issues also, has been very well written, as brought out in your book "Brahmin Genocide", and as requested by you, it has been placed before Paramapoojya Mahaswamiji.

Paramapoojya Mahaswamiji expressed happiness about the book and told that in society, no community should face atrocity or discrimination, and hence bringing out such a book, shall be very valuable for the welfare of the society. His Holiness blessed that this book be brought out to reach one and all in the society.

Paramapoojya Mahaswamiji on this occasion has conveyed blessings to you, your entire family and enclosed is sacred Manthrakshatha.

With Pranams,
